		MAPS"		RBHA GSAs with the current ACC regions? That is, following integration of the ACCs and the RBHAs in October 2021, please confirm that <u>all</u> services will be provided following the geographic/county boundaries depicted in the map entitled "AHCCCS Complete Care" on page 3 of the RFI.	contractual services and contracted RBHA services.
6.	RI International	RBHA Crisis Funding Tables	Appendix Page 9	The RBHA Crisis Funding Tables show a projected reduction in central region crisis funding of \$27,631,951 between CY18 and CY19. Can you please explain the rationale / data that led to this 24% reduction in funding; including a 30% decline in TXIX crisis funding? Did calculations used in the analysis factor in the 85% crisis encounter expectation that supports ensuring available capacity to always say yes to referrals for care in the crisis system?	For Central, AHCCCS revised the Crisis Funding table to exclude amounts for services that are not part of the RFI. The new figures presented in this Crisis Funding table include only crisis services being discussed in the RFI. The revised Crisis Funding data shows a slight decrease in CYE 2019 for the Central GSA. The Crisis amounts in the CYE 2019 rates were the projected amounts for the crisis services being discussed in the RFI as provided by the RBHAs.
