To: AHCCCS 270/271 Trading Partners
Subject: Upcoming 270/271 Changes
Date: 7/16/14

The following system changes will be made to the AHCCCS Batch 270/271 Eligibility Verification Request and Responses and AHCCCS Online Eligibility Verification response:

- Return up to 3 occurrences of CRS eligibility/enrollment information in the 271 response
- Remove the BHS Indicator from the AHCCCS Online eligibility verification response (not returned in batch 270/271)

Testing Timeline:
The system changes will be made available in the AHCCCS Test region beginning 8/5/14. Existing AHCCCS 270/271 Trading Partners who are interested in submitting Batch 270 Eligibility Request files to the AHCCCS Test region may do so by following the normal Testing procedures. Batch 270 Request files should be submitted to the "TEST/EDI-IN" directory on the SFTP server.

Production timeline:
The system changes will be made available in the AHCCCS Production region beginning on 8/21/14. This applies to the AHCCCS Batch 270/271 Eligibility Verification Request and Response as well as the AHCCCS Online eligibility verification system (https://azweb.statemedicaid.us).

Should you have any questions regarding the above changes, please contact EDI Customer Support at EDICustomerSupport@azahcccs.gov.
